Bond, Oliver, Tatiana Reid (2021). *Lexical restrictions on associated motion verbs.* Workshop: Lexical restrictions on grammatical relations, online (University of Amsterdam). 30 March.

Reid, Tatiana and Matthew Baerman (2017). *Vowels in Nuer morphophonology (the case of transitive verbs).* The 13th Nilo-Saharan Linguistics Colloquium, The University of Addis Ababa. 4 May.

Teaching Experience

Field methods, documentation, and literacy development workshops. Delivered to members of South Sudanese language communities in Juba, South Sudan, 2009; Rumbek, South Sudan, 2010; Nairobi, Kenya 2017; and remotely 2017-2022.

Guided Research Seminar: Descriptive analysis of intransitive verbs in Nuer. Honours and postgraduate course. Semester 1, 2021-22. The University of Edinburgh, U.K.

Phonological Theory. Honours course. Semester 2, 2021-22. The University of Edinburgh, U.K.

Elements of Agreement in Thok Reel. In Peter Ackema's Current Issues in Morphology course. Semester 2, 2009-10. The University of Edinburgh, U.K.

Creoles and pidgins. Lecture at University of Surrey. February 2018.

Undergraduate dissertation supervision (x1) at University of Edinburgh 2021-22.

Second marking on undergraduate courses at University of Edinburgh, 2021 (x1); University of Surrey, 2018 (x1).

Archives

Nuer collection. ELAR archive, deposited in 2020.

<https://www.elararchive.org/dk0242/> [last accessed 20/04/2021].

Language archive. Department of Linguistics and English Language, University of Edinburgh. Summer job, responsible for the digitalisation of archive, 2017.

Scholarly and Professional Activities

Peer reviews

Journals Journal of African Languages and Linguistics (x1)
Journal of the International Phonetic Alphabet (x1)
Studies in African Linguistics (x1)

Conferences 15th Nilo-Saharan Language Colloquium (x1)

Conference organisation

Local organiser 15th Nilo-Saharan Linguistic Colloquium
13th International Austronesian and Papuan Languages and
Linguistics conference (APLL13)

Research groups

Nilotic@Edinburgh
The P-Workshop
Surrey Morphology Group

Languages Russian (native), English (proficient), Standard Indonesian
(conversational).

Working knowledge of under- and undescribed languages

Nilo-Saharan: Nuer, Reel, Shilluk, Dinka
Bantu: Ronga
Australian: Anindilyakwa

Linguistic Fieldwork

2017-present Nuer data collection via Skype and WhatsApp with speakers in
Kenya (5 years)
2016-17 Nuer data collection in Nairobi, Kenya (9 months)
2015-16 Nuer data collection in London, U.K. (13 months)
2011 Reel data collection in Rumbek, South Sudan (3 weeks)
2010 Reel data collection in Rumbek, South Sudan (2 months)
2009 Reel data collection in Juba, South Sudan (2 months)
2008 Shilluk data collection in Edinburgh, U.K. (3 months)

Computing and specialist equipment skills

Specialist software Praat, R

Specialist audio equipment: Marantz PMD660, Zoom H4n, SM10, RØDE NTG-2, AT831b
Lavalier

Project management and administration

Planning, budgeting and managing projects.

Selecting and purchasing specialised equipment.

Managing fieldtrip logistics.

Establishing connections with the language community and selecting native
language consultants.

Organising hubs in East African cities (Khartoum, Juba, Nairobi, Addis Ababa,
Entebbe) for an international online conference.

Establishing relations with local NGOs, UN, local educational establishments, international officials and local authorities.

Fundraising and reporting to the funders.

Outreach and Engagement

Language community outputs

Nuer Lexicon online: www.nuerlexicon.com

Nuer Lexicon Group on Facebook: <https://www.facebook.com/groups/nuerlexicon>

Workshops and training

Translation workshops

Nuer Literacy Initiative translation workshops. February and April 2022.

Creation workshops

Nuer Literacy Initiative story creation workshops, x3. May 2022.

Field methods training to speakers of South Sudanese languages

Use of recording equipment training to Dinka speakers, Juba, South Sudan, 2009.

Field methods training to Reel speakers, Rumbek, South Sudan, 2010.

Field methods and recording techniques training, Nuer speakers, Nairobi, Kenya 2017 and remotely 2017-2019.

Introduction to remote fieldwork

Presentations to UG and PG linguistics students at the University of Edinburgh as part of 'Conversations with LEL staff' series of talks (x3), 2021.

Networking and engagement

SIL International

University of Nairobi

UN South Sudan

Saide South Africa
